September 14, 2010

Dear Debra Germany,

Greetings in the precious name of our Lord and Savior Jesus Christ!

We know your heart is grieved, as ours are, with the rise of violence in our communities. It seems everyday another young person loses their life and another mother/father loses their child way too soon. The Company You Keep is a stage play produced by Soul'd Out Productions that addresses the effects of violence. It will be performed at The Creative and Performing Arts High School (CAPA) Theater from October 8 through October 10, 2010. Each performance will be a collaboration between Soul'd Out Productions and community leaders and youth pastors to make a bold statement that something must be done to help our children...our future. This play will be couched in a "Let's Stop the Violence" anti-violence themed weekend designed to give voice to the many victims who experience this seemingly irreversible plaque that has gripped our communities. Our goal is to demonstrate that there is hope and that **hope is God!**

This weekend will also shine a light of recognition on individuals whose contributions have made a difference in the lives of Pittsburgh residents. **You were unanimously selected to receive the Community Service Leader Award.** You will be our honored recipient during the Friday, October 8, 2010 performance. You and two guests are asked to report to the CAPA Theater at 7:50pm. We also ask that you submit to us a biography and a photo for inclusion in the souvenir booklet being sold to all attendees. All family members and friends who wish to share this special moment with you can purchase tickets at a discounted rate of \$12.00. You can make a check payable to Northside Institutional COGIC for the amount reflective of the number of tickets desired. Please forward your biography, photograph and check to Humbly At Your Service, 1132 High Street, Pittsburgh, PA 15212 no later than October 1, 2010.

We look forward to celebrating you as we make a stand for peace. We are praying for you as you continue to do the work of the kingdom. To God be the glory!

Sincerely,

Alichia Parker
Executive Producer
